P.O.Box 9445
Fort Wayne, IN 46899-8445

Since the November meeting, we have waited to see what was going to happen. We are hoping that there are still many of you wanting better than what is presently out there and so do we.

We have consulted a new attorney and are going to have an open meeting with all homeowners requested to attend to collect information as to how and if we will proceed. We need any questions or concerns the **homeowners** may have.

Although there is a new Board of Directors and we do not know who the new President, Vice President and Secretary/Treasurer are, we are asking you to beware of signing their petitions. And for your information, the Board is using the same attorney! We have questions concerning what was done in the past and the way the procedures that were used to get signatures on the documents. We want to give some thoughts for your consideration and to hear your questions and concerns.. For those of you who have attended the meetings understand this request.

We want the **homeowners** input (all areas of Indian Village) and are scheduling a meeting for you on **April 20, 2015 at 7:00 P.M at Indian Village School** in the gymnasium. If you cannot attend, you may email us at the address above or mail your information to the P.O. Box listed above. You must include your name address and phone number (all this information will be confidential). **WE WANT TO HEAR FROM YOU!** Please bring your suggestions and concerns with you!

We have received emails and phone calls from several homeowners wanting to know what the plans are. Until this meeting is held we have not made a firm decision.

We would like to see Indian Village, once again, a strong, healthy and progressive community, pulled together as **one community**. From Manito to Enola Court and Engle Road to Nuttman. To have a **fair, honest, open and transparent governing board and officers** with the homeowners involvement and participation. There will be new covenants and bi-laws to be followed and the Board will be elected by the homeowners.
