Dear Indian Village Resident,

Because we have been unable to obtain enough signatures on the newly proposed Protective Covenants to have them recorded with the Allen County Recorder's Office, there will be some changes to the way Indian Village functions beginning today. The Board is acting with the guidance of our Attorney, Grant Shipley.

Dues invoices are only being sent to residents in Sections C & D, because those are the only sections with legal Covenants on file with the Recorder's Office. Many of the events that Indian Village residents have become accustomed to attending will not take place in 2015 unless we can obtain the number of signatures needed for the Covenants to be recorded and once again have income from all residents. Indian Village simply will not have the money needed for events such as the Easter Egg Hunt, the 4th of July Bike Parade and Picnic, the printing of Smoke Signals, security patrols and mosquito spraying. If you want to know what's happening in the Village, you will need to visit our website, www.indianvillagefw.com. We will have just enough income to keep the website going and to pay for the lighting of the monuments to AEP.

Only residents of Sections C & D are considered to be members of IVCA, Inc. The Board, however, will be taking applications from residents in Section A, B, E, & Indian Hills to join as "associate" members. "Associate" members will not be able to run for Director positions on the Board; those positions will be filled by residents in sections C & D. "Associate" members can be appointed by the Directors to hold Officer positions. Those residents whose applications are accepted, and who are current on their dues, will be the only residents who are welcome to attend the March Semiannual Meeting and vote for Directors. Please contact Sarah Didier at 747-7141, or visit our website to obtain an application.

It is not the Board's desire to see this happen to Indian Village, but is our only alternative until we obtain the needed signatures on the Protective Covenants so they can be legally recorded. Once that happens, Indian Village will go back to being ONE neighborhood with ALL residents being members. At that time, all social functions that we have become accustomed to attending will resume.

If you want to sign the Protective Covenants (we need signatures from ALL sections), please contact either Sarah Didier at 747-7141 or Dot Robinson at 312-8048.

Sincerely,

Indian Village Community Association, Inc.
